OF NORWICH.

DIVIDEND
The regular Semi-annual Dividend has been declared from the net earnings of the past six months at the rate of Four per cent. a year, and will be payable on and after Nov. 15.

FRANK L. WOODARD,
Treasurer.

HOBEY BAKER,
Princeton Captain.

SHEA SUFFERS BROKEN ANKLE.
Only Princeton Player Injured in Saturday's Game with Harvard.

Princeton, N. J., Nov. 9.—The injury which necessitated the removal of Ed Shea from the right end of the Princeton line in Saturday's game with Harvard, has turned out to be a broken ankle. He is, of course, out of the game for the remainder of the season. The other Princeton players came through the contest unscathed.

Coach Andrews said tonight that the varsity players would likely have no hard scrimmage this week because of the condition of the field and the proximity of the Yale game.

The fourteen players who went to Atlantic City last night are not expected back in Princeton until Tuesday.

Princeton students have nothing but praise for the team in spite of the Harvard defeat. There is a general feeling of optimism about the Yale game next Saturday.

Start Work on Defender Dec. 20.
Ernest R. L. Nov. 9.—Actual construction work on the Vanderbilt syndicate's candidate for America's cup honors will be begun December 20. It was learned today. The bronze used will be the same as went into the defender in 1905.

FIERCE BATTLE TO A SCORELESS TIE

Sensational Contest Between Norwich Free Academy and Bulkeley Elevens—Norwich Boys Show Superior Speed and Finish—Penalties and Fumbles Prove Costly to Orange and Black.

The Norwich Free Academy eleven held the Bulkeley team to a scoreless tie at New London Saturday afternoon, and outplayed their heavier opponents. The speed and drive of the Red and White, guided by Captain Robinson, more than offset the tremendous handicap of weight in the Black and Orange eleven, and it was the visiting aggregation which carried off such honors as may be derived in a no score battle. The game was close and every inch was hotly contested. The old rivalry between the two schools appeared as strong as ever, and both teams were checked on by three rows of loyal supporters on the grounds.

Open play was responsible for the biggest gains on both sides, although the forward pass was little in evidence. The three times that it was attempted it proved unsuccessful. Bulkeley was repeatedly penalized for being offside, and fumbles were costly to them. The wonderful punting of Chase, which has been a feature of his work all the season, was a big factor, as he had the advantage of Mulcahy at all stages.

Final Period.
The Academy was forced to kick. Bulkeley made first down, but fumbled, with Jackson recovering the ball. The Academy attempted another forward pass, but it was intercepted by Noonan. Bulkeley again made their distance, but were forced to kick, and time was up.

The lineup and summary: B. H. S. Left end, Dondero; Left guard, Schwartz; Left tackle, Beran; Center, Silversweig; Right guard, Noonan; Right tackle, Mulcahy; Quarterback, Gaffney; Halfback, Sheedy; Fullback, Robinson; Left halfback, Sheedy; Right halfback, Donnelly; Left halfback, Sheedy; Right halfback, Donnelly; Left halfback, Sheedy; Right halfback, Donnelly.

Attempt at Field Goal.
Murray and McCormick made short gains, and McCormick attempted a drop kick, but failed.

Bulkeley took the ball and Donnelly tried center for no gain. Bulkeley was penalized five yards for offside. Mulcahy kicked to Robinson, who returned the ball ten yards. Academy made first down and Chase kicked to Baxter. Bulkeley made two first downs, advancing the ball to the Academy's 18 yard line when time was up. Stevens finished the period at guard, replacing Lathrop, who was injured.

Second Half.
At the opening of the second half Silversweig was knocked out. Stevens went to center and Lathrop returned to guard.

Mulcahy kicked off to Jackson. McCormick and Chase made ten yards, but Baxter intercepted a forward pass. Bulkeley was penalized for offside, and Mulcahy kicked to McCormick. McCormick made five yards, and Chase and Avery were thrown for a loss. McCormick and Jackson made first down. Chase punted for 65 yards and Sheedy

was thrown where he caught the ball. Bulkeley made first down, but suffered a penalty of 15 yards. Harshowitz replaced Baxter at half. Bulkeley again made first down and Mulcahy kicked to McCormick. Avery went through guard for 12 yards, but was injured and was replaced by Gregson. Gregson and McCormick made first down, and the period closed with the ball on Bulkeley's 25 yard line.

LEADING ELEVEN
ROUNDING INTO FORM.
Vanquished Combinations Prove Themselves Dangerous Contenders.

New York, Nov. 9.—Despite the handicap of mixed grain and grain corn, the play of the leading eastern university football teams on Saturday demonstrated the fact that all are rounding into satisfactory form for the final games of the 1913 season. Although the season has been a long one, the fact remains that the teams are now in the best of condition, and the trend of improvement was plainly evident and both victor and vanquished can look forward to the more important struggles in the belief that each has reasonable grounds for forecasting a victory.

As was the case two weeks ago, the question of what the ultimate outcome of several of the more important contests would be, was first to be decided by the fact of the game, and the fact remains that the teams are now in the best of condition, and the trend of improvement was plainly evident and both victor and vanquished can look forward to the more important struggles in the belief that each has reasonable grounds for forecasting a victory.

NEW HAVEN AT 783.4.
New Low Record on Report of More Opposition to Bond Issue.

New York, Nov. 9.—In the stock market yesterday, as in other days, a downward tendency exhibited resulting in substantial losses at the close, the predominant influence was professional selling, but there were some indications of liquidation which assisted in carrying prices to lower levels. The opening indicated nothing so much as a slump. Price changes were unimportant comparatively and no significant change could be drawn from the initial movements. The same influence of a political nature which had operated for many days continued to exercise a strong influence, and the market showed no encouragement to a feeling of betterment.

In the first place, the attendance of traders among the commission houses and on the floor was smaller than usual, many of the having devoted the day to entertainment at the Princeton football game. Coupled with this was the uncertainty regarding the questions of the hour in addition to the Mexican problem, such as the progress of the currency bill, solving income tax puzzle, and the position of the railroads standing between the demands of employers for increased wages and that of the having devoted the day to entertainment at the Princeton football game.

Coach Andrews said tonight that the varsity players would likely have no hard scrimmage this week because of the condition of the field and the proximity of the Yale game.

KETCHAM,
Yale Captain and End.

All contenders alike and in no case was there an alarming reversal of form. In several instances, however, defeated teams developed surprising strength and for time promised to furnish a real football surprise story.

Harvard Eleven Baffled.
This was noticeably true in the Harvard-Princeton game. The Tigers opened with a shift-formation attack which completely baffled the Crimson forward line. The Harvard line, which is quite possible that Princeton would have scored one or more touchdowns. The slippery footing, however, slowed up their plays after a particularly heavy shower and saved Harvard some trouble. The Harvard line, which is quite possible that Princeton would have scored one or more touchdowns. The slippery footing, however, slowed up their plays after a particularly heavy shower and saved Harvard some trouble.

While Princeton could and did pierce the Harvard line, particularly the right wing, repeatedly during early stages of the play, the secondary defense of the Crimson was excellent. Just Eat! The New

CATALOG OF PREMIUMS IS NOW READY FOR MAILING

Through the co-operation of the purchasers of Serv-us Pure Food Products, we have been enabled to greatly increase the value of the Serv-us Coupon making it possible for you to obtain a premium for about one half the number of coupons formerly required.

This means a great deal to the thousands of Serv-us consumers. If you are not one of this great army, you owe it to yourself to join the ranks and begin to ask your grocer for Serv-us first, last and all the time

It is of vital importance that you become familiar with the largely increased value of the new Serv-us Coupons and also with the many Pure Food Products which are sold by all the Leading Grocers. You will receive a valuable Serv-us Coupon from each Serv-us Product.

This information can be obtained by writing for a free copy of our new Serv-us Premium Catalog.
